

partner of choice

Whether you are servicing the food service or convenience store industry or the world of retail, every customer has unique needs. No one understands this better than UAS, a national provider of integrated security solutions. UAS believes that to be successful you need to provide the highest level of customer service and support by offering seamless turnkey solutions for all security requirements. That's why UAS selected Honeywell as their Partner of Choice.

Honeywell remains committed to tailoring specific products for UAS to suit the needs of UAS and their extensive list of customers. Working together, they created unique solutions that have helped UAS protect over \$10 billion in commercial assets.

As your Partner of Choice, Honeywell helps you find, win and keep business.
